

# Eruv of the Young Israel of New Rochelle

## Detailed Notes

The following is a detailed description of the location of the YINR eruv borders.

### General Notes:

- The numbers correspond to the numbered areas on the eruv map.
- The specific borders (except the Nature Preserve and the Hutchinson Parkway) are the telephone poles/wires. Pay attention to them on border streets to note which side(s) of the street, roadways, sidewalks, etc are within the eruv boundaries.
- For any specific eruv questions, please contact the Rabbi.

1. *Webster Ave*: East side between Eastchester Rd and Siebrecht Pl [the street is **NOT** inside the eruv]  
**NOTE**: One place between Aberfoyle Rd and Siebrecht Pl is extremely narrow and allows for single file only.
2. *Norman Rd*:
  - North side between Webster Ave and Rose Hill Ave [the street is **NOT** inside the eruv ]
  - South Side from Rose Hill Ave to the end of the cul-de-sac [the street is inside the eruv]**NOTE**: Some spots on Norman Rd are not easily passable inside the eruv.
