

WOMEN'S INITIATIVE FOR JEWISH STUDIES

Dear Friends of WIJS,
Over the last several years, the Women's Initiative for Jewish Studies (WIJS) at YINR has offered outstanding programming. We presented accomplished women scholars, from the US and Israel, speaking on a variety of Jewish subjects. To continue the excellence of this program, we ask for your support in the way of sponsorship. We offer several sponsorship levels; your name(s) will be included on our flyers. Contributing to WIJS is a way to acknowledge an important event, while supporting this learning initiative.

Thank you.
